

Lunch Programme & Pricing

Lunch account(s) are created as soon as a student is enrolled, automatically.

LOWER SCHOOL

- ⇒ Lower School Lunch costs £2.65 per student per day; this allows them a varied choice from our full set menu.
- ⇒ We recommend keeping it simple by paying by **semester**. Working on **88 days** for Semester 1 which equates to **£233.20** and **87 days** for Semester 2 which equates to **£230.55** or **£463.75** for the entire year.
- ⇒ Each child's account is automatically debited every time they have a meal. You do not need to worry about them having to handle cash, or remembering a swipe card!

MIDDLE & HIGH SCHOOL FOOD COURT

- ⇒ New students are automatically issued with their timesaving cashless **swipe card** when they start school. The card is valid for as long as they are a student at ACS.
- ⇒ The Food Court has an **itemised menu** (see price list link) whereby the student has a diverse choice of foods and snacks. Average lunch per day is £3.50.

F.A.Q.'s

- ⇒ **How do I activate an account?**
For ease and security we recommend you manage your child's lunch account using **Upay**, however if you do not wish to use this method we can accept direct payment by cheque, cash or credit/debit card. If you're unable to make it to Orientation Day, then send a cheque payable to 'ACS Limited' to either the Lower School Secretary or, in the case of a Middle/High School student, for presentation at the Food Court tills with their first purchase. A minimum of £150 is suggested to start an account.
- ⇒ **How do I get my lunch card?**
If you are a **new** Middle or High School student, you can collect your card(s) either on **Orientation Day** or at the **Tills in the Food Court** on the first day of school. **Cobham only** – Middle/High School students will be registered on our new biometric thumbprint recognition system.
- ⇒ **How will I know when a top up is required?**
We encourage the Middle and High School students to be **responsible** for what they spend. Price lists are prominently displayed and the tills automatically display a student's balance after every purchase. Alternatively, our Upay system can send you automatic reminders when your child's balance is low.
- ⇒ **Is my money safe?**
All accounts are **secure** and treated similar to that of a bank account, therefore any residue amount is rolled over each year and follows your child regardless of which year they are in.
- ⇒ **REFUNDS**
Requests for refunds **must** be made by email to: cateringrefunds@acs-england.co.uk
